

REFORMS FOR WATER BOTTLE

BEST PREFORMS AVAILABLE IN THE MARKET

Gil Pack PET preforms for mineral water are available in various standards, sizes and weights. As water is neutral in taste, packaging for mineral water must be produced and packed under very strict conditions. Understanding the importance of controlling our manufacturing environment as well as meeting every requirement from our customers, we provide you with the best preforms available on the market.

Each preform is designed and manufactured to your exact requirements. In each step of our process we verify that our products follow the most stringent requirement in terms of clarity, color, centricity, shape and dimensions. Preforms leaving our factory is also guaranteed to work in your machine and process.
